Biography

Duangjai Nacapricha

Associate Professor, Department of Chemistry at the Faculty of Science, Faculty of Science, Mahidol University

Dr. Duangjai Nacapricha is an Associate Professor in the Department of Chemistry at the Faculty of Science, Mahidol University, Bangkok, Thailand. She earned her Bachelor's degree in Chemistry from Prince of Songkla University, followed by a Master's degree in Analytical Chemistry from Chiang Mai University. Dr. Nacapricha completed her Ph.D. at Liverpool John Moores University, UK, in 1993. After obtaining her Ph.D., she worked at the Thailand Institute of Scientific and Technological Research for one year before joining the Department of Chemistry at Mahidol University in 1995.

Her research focuses on analysis using flow-injection techniques, microfluidic paper-based analytical devices, and electrical sensors.

Dr. Nacapricha has authored and co-authored 132 international publications, and her current Scopus h-index is 28.
