

INTERNATIONAL FOOD CONTROL CONFERENCE 2026

15th - 17th October 2026, Ha Noi - Viet Nam

Biography

Full name, Title: Assoc. Prof. Dr. Duangjai Nacapricha

Position: Associate Professor

Affiliation: Department of Chemistry and Center for
Innovation in Chemistry, Faculty of
Science, Mahidol University

Assoc. Prof. Dr. Duangjai Nacapricha is an Associate Professor in the Department of Chemistry, Faculty of Science, Mahidol University, Bangkok, Thailand. She received her Ph.D. in Analytical Chemistry from Liverpool John Moores University, United Kingdom, in 1993, and joined Mahidol University in 1995. Her research focuses on flow-based analytical techniques, microfluidic paper-based analytical devices, electrochemical sensors, and portable analytical systems for food safety and environmental monitoring. Her work emphasizes the development of simple, low-cost, and field-deployable analytical technologies. Dr. Nacapricha has authored and co-authored more than 150 international publications, with a current Scopus H-index of 32. She has received several national research awards and has been actively involved in international collaborations in analytical chemistry and food safety.
