

INTERNATIONAL FOOD CONTROL CONFERENCE 2026

15th - 17th October 2026, Ha Noi - Viet Nam

Biography

Full name, Title: Nguyen Ngoc Hung, PhD

Position: Lecturer

Affiliation: Department of Nutritional Science
Faculty of Tourism and Culinary Arts
Ho Chi Minh City University of Industry
and Trade

Dr. Nguyen Ngoc Hung is a nutrition specialist and university lecturer in the Department of Nutritional Science, Faculty of Tourism and Culinary Arts, at Ho Chi Minh City University of Industry and Trade. He earned both his Master's and Ph.D. degrees in Nutrition from Mahidol University, Thailand, and is a certified obesity management specialist endorsed by the World Obesity Federation. His academic and professional experience includes collaborations with universities and organizations across Vietnam and the ASEAN region. His research focuses on public health nutrition, food environments, nutrition policy, consumer behaviour, and culinary nutrition, with the overarching aim of generating robust scientific evidence to inform policy and support healthier, more accessible, and sustainable food systems. Dr. Hung has published extensively in peer-reviewed journals, serves as a reviewer for numerous international journals in food, nutrition, and dietetics, and regularly presents his research at major scientific conferences, including the International Congress of Nutrition, the Asian Congress of Nutrition, the Southeast Asia Public Health Nutrition Conference, and the American Society for Nutrition's annual scientific meeting. He is also an active member of the Ho Chi Minh City Nutrition and Food Association, the Nutrition Association of Thailand, and the American Society for Nutrition.
