

INTERNATIONAL FOOD CONTROL CONFERENCE 2026

15th - 17th October 2026, Ha Noi - Viet Nam

Biography

Full name, Title: MSc. Phạm Như Trọng

Position: *Team Leader of the Proficiency Testing and Reference Materials (PT-RM)*

Affiliation: *National Institute for Food Control (NIFC)*

MSc. Pham Nhu Trong is currently the Team Leader of the Proficiency Testing and Reference Materials (PT-RM) at the National Institute for Food Control (NIFC). With extensive expertise in food microbiology and laboratory quality systems, his primary research focuses on the development, production, and quality certification of quantitative microbial Certified Reference Materials (CRMs) complying with ISO 17034, as well as advancing proficiency testing (PT) schemes for food safety laboratories. He has successfully driven key initiatives in collaborating with international bio-resource collections to standardize reference materials, contributing significantly to raising the analytical capability and international alignment of Vietnam's food testing sector.
